ITEMS TO BE SEIZED

Evidence of a crime—namely, violations of 21 U.S.C. § 841(a)(1) (possession with intent to distribute controlled substances); and 21 U.S.C. § 846 (conspiracy to possess with intent to distribute and to distribute controlled substances). Items to be seized include, but are not limited to, the following documents, digital media, electronic data and records:

1. Call histories, voicemails, contacts or other call logs and information relating to or concerning drug trafficking activity or the sale of illegal drugs including, but not limited to: drug quantities; drug prices; drop locations for money or narcotics; the location of stash houses or bank accounts; the identity or contact information for coconspirators; the purchase, possession or acquisition of assets such as cars, homes, or jewelry; directions to meeting locations.
2. Text messages, SMS, or other written communications or information concerning or relating to the trafficking or distribution of narcotics, including, but not limited to: drug quantities; drug prices; drop locations for money or narcotics; the location of stash houses or bank accounts; the identity or contact information for coconspirators; the purchase, possession or acquisition of assets such as cars, homes, or jewelry; directions to meeting locations.
3. Photographs, videos or other electronic media relating to or depicting the trafficking or distribution of illegal drugs, including, but not limited to: firearms, bulk cash, illegal drugs, associates or other coconspirators, homes or potential stash houses.
4. Evidence of user attribution, including any matter establishing indicia of ownership or use of the cellular telephones, including, but not limited to, photographs, videos, text messages, contacts, call history, logs, phonebooks, saved usernames and passwords, documents, and browsing history.
5. GPS history or applications that have map functions or provide driving directions, which may provide information relating to the location of stash houses or the locations of conspirators.
6. Records evidencing the use of any Internet Protocol address to communicate with any website, including records of Internet Protocol addresses used and records of Internet activity, including firewall logs, caches, browser history and cookies, “bookmarked” or “favorite” web pages, search terms that the user entered into any Internet search engine, and records of user-typed web addresses.

As used above, the terms “records” and “information” include all of the foregoing items of evidence in whatever form and by whatever means they may have been created or stored, including any form of computer or electronic storage (such as flash memory or other media that can store data) and any photographic form.
